Passion for figure skating? Apply for head coach in Aarhus, Denmark

If you are ambitious and passionate about coaching figure skating, then you are exactly what we are looking for as head coach in Aarhus Skøjteklub.

Aarhus Skøjteklub

Aarhus Skøjteklub is a large figure skating club with 150 skaters, a solid economic foundation and a large potential for development. The club has experienced a rapid growth in the number of skaters, a large number of which have advanced into the national competitions.

The club is founded upon unity and we have a heartfelt wish to sustain the fun in skating and the good relations while at the same time developing our skaters and reaching the goal of competing among the best nationally and in the long run internationally.

The Job

As head coach for Aarhus Skøjteklub you will

- plan and conduct ice-training and off-ice-training and make choreography for new routines in collaboration with assistant coaches
- leading assistant coaches
- lead and plan the development of skaters and assistant coaches
- participate in and contribute to figure skating camps, competitions and other events

The club is run by an elected board and a high degree of collaboration with the board in the development of the club is expected. The board highly appreciates development as a coach and is willing to support both formal and informal development of the skills of the head coach.

The job is expected to be 25-30 hours / week and with employment 12 months a year or as a seasonal employee. Salary and further conditions is negotiated in the employment interview.

Your qualifications

We will be hiring a head coach with certified coach education, experience from similar jobs, and high technical level. We expect you to be passionate about coaching figure skaters, to have an eye for talent, and to actively participate in the development of the club, our skaters, and assistant coaches - to the benefit of both elite skaters and those skating for the fun of it. We expect you to be a leader and being able to bring out the best in the skaters and the assistant coaches. A sensible approach to children, parents, and board is a prerequisite and we expect you to have pedagogic knowledge into coaching and learning principles.

You have to be able to communicate in English, both spoken and in written.

We look forward to your application.
